### EAT BARNETT'S BAKERY

A family owned, local bakery that has all the surf town food essentials; pies, sausage rolls, bread, scones and lamingtons, all the ultimate pre and post surf snacks. This little bakery is constantly swarming with visitors, the tell all sign of good food gem! Grab a bite and enjoy on the beachside.

### DRINK CH DINING, THE MED

A friendly atmosphere with good vibes and Cali style décor to match, CH Dining at The Med is the perfect place for an afternoon cocktail. Only a short stroll from the beach, pop in for a post beach drink beneath the palms. With delicious food, you may as well stay for dinner too!

### SWIM BIG HILL BEACH, SOUTH CORNER

With sand stretching further than the naked eye, Big Hill beach is the perfect spot for those who like to avoid the busy crowds of Australia's East Coast. Surrounded by a rainforest, there will be no shortage of wildlife, or marinelif for that matter. Have a quick dip in the South Corner surrounded by Pandanas trees.

### SURF CRESCENT HEAD POINT

Probably the worst the kept secret on the East Coast, Crescent Head Point is a favourite amongst long and short boarders alike. The swell needs to have a far bit of East in it to offer the longest rides, but when it gets going you can get yourself some real leg burners on this very friendly right hand point break.

### SUNRISE RACECOURSE BEACH

A popular beachside campground destination, Racecourse Beach is the perfect spot for first light. It's in a prime position for amazing East facing views, an early-bird swim and some marine life spotting.

### SUNSET DELICATE NOBBY

A popular spot for local photographers, Delicate Nobby Beach is another hidden gem in Australia's Crescent Head. A sunset surf or picnic? Why not both! Bring a rug down for a post surf session and enjoy an afternoon delight as the sun sets.
