## PORT STEPHENS

### EAT LITTLE BEACH BOAT HOUSE

Exactly as the name suggests, a little beach boat house, right on the water offers a fresh modern Australian cuisine. Soak up the afternoon sun with some fresh seafood and enjoy the best of Port Stephens. Grab a gift to go as they sell some of their local products!

### DRINK SHOAL BAY COUNTRY CLUB

Iconic beachside venue for all ages and all dining experiences (breakfast, lunch and dinner). A long lunch, cocktails on the balcony or even just for the location and views alone, Shoal Bay Country Club is the ultimate One Sunny Day destination.

### SWIM ZENITH BEACH

A hidden gem overlooked by Mount Tomaree, Zenith Beach is an idyllic and calm stretch of sand located between the mountains. Crystal blue waters, white sand and surrounded by a national park, Zenith beach will make you feel like you're sunning yourself in Hawaii. It's unpatrolled though and when the swell's up it can be a bit scary to swim, so only on a small day! But it's well worth a visit regardless.

### SURF BOX BEACH

If the swell's up, this could be the pick of the area with a nice right hander offering ripple walls for the intermediate to advanced surfers. On a smaller day though, maybe bring your boogie board for a shorey bash.

### SUNRISE TOMAREE HEAD WALK

Leave a good 30 minutes earlier so you can witness all the changing colours of the sky. A bit of a hike but very much worth the view when you get to the top! If it's the right time of year, you might even spot some whales! Happy Hiking!

### SUNSET CORLETTE BEACH

Right next to The Anchorage (our fave place to stay in Port Stephens BTW), this is a peaceful little beach perfect for an evening stroll, swim or beverage at sunset. Calm water laps on the sand, birds soar over head and boats tinkle gently on the jetty. Sunset here is good for the soul.
