

the BEACH LEGEND

BYRON BAY

EAT THE FARM AT BYRON BAY

The Farm is a beautiful property offering visitors a whole day's worth of wholesome activities and culinary delights. Enjoy the mouthwatering seasonal menu in Three Blue Ducks Restaurant or bring the kids, order a hamper and set up a picnic on the grass. There's sunflower fields, farm animals, a café, gelato, bakery and a local produce store.

DRINK MISS MARGARITA

With a funky, colourful atmosphere that brings the flavours of Mexico to Byron Bay, Miss Marg's is known for its long list of house margaritas. Our go to is the passionfruit one (yum!) and obviously, a side of chips n guac is a given.

SWIM WATEGOS BEACH

Wategos' usually calm water is sure to soothe your soul. Float in its peace. Dry off on the soft white sand. Read a book under the shade of a Pandanus tree. Take your camera and catch some pics of the local dolphins known to steal waves from the surfers. A true paradise.

SURF THE PASS

A wave for all surfing abilities. Take the longboard and slice it through crystal clear water on an almost never ending ride down this world class right hand point break. Surfing widows and widowers climb the stairs to a beautiful lookout where you can watch over the surfers and crowds.

SUNRISE CAPE BYRON LIGHTHOUSE

Be the first person in Australia to see the sun today. Cape Byron Lighthouse is the most Easterly point of the country and the famous 'Lighthouse Walk' from main beach along the boardwalk is a great way to earn your coffee view of breathtaking red and orange skies over a silky sea!

SUNSET MAIN BEACH, BYRON BAY

With crowds stretched along the sand, the grass and gathered at The Beach Hotel, sunset in Byron is its own thing - an event worth being a part of any day of the week. Buskers, circus performers, sunset skies and good vibes - it's the original way to do Byron Bay! And it doesn't get any more Beach Legend than that.
