EAT THE HUSKISSON HOTEL

Sometimes there's nothing better than a good ol' pub feed. Overlooking the water, the Husky pub is the perfect location for a relaxed catch up with mates. Whether you're wanting a beer with a game of pool, somewhere to watch the footy, or a nice dining experience, Husky pub has you covered.

DRINK JERVIS BAY BREWING CO

The Brewery is open from Wednesday through to Sunday. Spend the arvo tasting samples in the outdoor beer garden fitted with a food truck! Prefer to stay home? Stop by and grab a growler to bring craft beer home to your own backyard.

SWIM HYAMS BEACH, JERVIS BAY

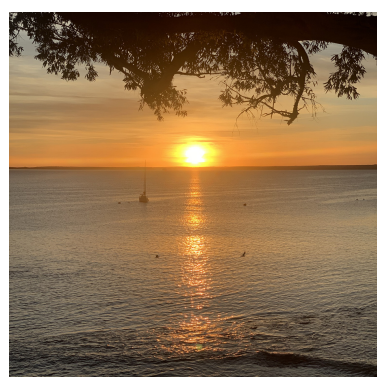

Hyams is famously known as having the whitest sand in the world. It's one of the most visited tourist spots and for good reason. We recommend getting there first thing in the morning so you can soak up the crystal blue water and endless sand before the crowds arrive.

SURF CAVE BEACH

A 15 minute drive from central Jervis Bay, Cave Beach is located a short walk down from 'Cave Beach campground' with the main locals being Kangaroos. Depending on the conditions, it's a great spot for a less crowded surf. If not, there is still plenty to explore along the beach and inside the caves.

SUNRISE SHARK NET BEACH, HUSKISSON

Grab yourself a coffee and walk down to the beach to watch the sunrise. A beach? East Coast of Australia? Sunrise? Tick, tick tick. If ever in doubt, these three things will always ensure your day starts with beauty. It's a tiny bit of happiness that's free for you every day.

SUNSET POINT PERPENDICULAR LIGHTHOUSE

With views of all Jervis Bay's best beaches, Point Perpendicular Lighthouse is our pick. Whilst the lighthouse itself isn't open to the public, the surrounding area is perfect for a sunset picnic and photo opportunity.
